

University of Arizona Astronomy Club

General Meeting Notes: December 8, 2014

Thank you to Jenny Calahan for presenting Astronomy News of the Week about the New Horizons mission!

Also, Ian Crossfield, an astronomer from LPL, came and presented about doing exoplanet research with him. If you are interested in helping him complete follow up observations of exoplanet candidates, feel free to email him at ianc@lpl.arizona.edu.

Occurring this week:

- Satori Middle School Star Party
 - TUESDAY, December 9th
 - 4-9pm
- Board Game Night (come relax before finals!)
 - Wed, December 10th
 - 7pm
 - N505

This is the final meeting of the Fall 2014 semester. Details about future meetings and activities will be posted on the club website and disseminated to members as they are decided upon.
