

Meeting Minutes 12/6/19

- **ATOMM (Astronomy Tutoring or Majors and Minors):** IT'S THE FIINAL COUNTDOOOOOWN *cue the final countdown played poorly on kazoo* Stop by *EVERYDAY* b/w 2-4pm @ Parker Library, outside N305.
- **TIMESTEP:** No more meetings this semester!
- **Astronomy Question of the Week:**

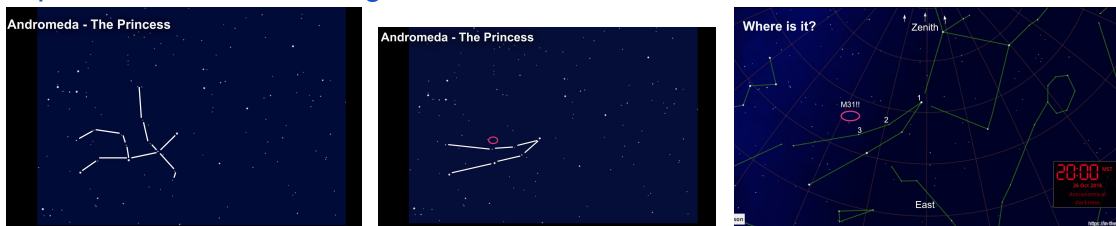

-
- McDonald's meal hack, eat things with one hand. Would this actually work?
- Would the Milky Way appear different on Mars than it does from Earth?

- - Don trolled us all
 - What astronomical object? Don showed a picture of something bright that appears to be wiggling around the sky,, but it's also in the foreground (in front of the tree in the image)
 - It turns out it's Sirius, but the phone that took the picture was jiggled.
 - Dr. Terence Tao (UCLA) is known as the "mozart of math". He was interviewed and asked how he comes up with ideas. Look up the interview, he says some very profound things about struggling and getting to dead ends but eventually getting somewhere.
- **Astro News of the Week:** It wasn't presented in the meeting, but there's been measurements of the largest known supermassive black hole! It's a thicc boi! 40 billion times the mass of the sun!!! Check out the article here: <http://www.astronomy.com/news/2019/12/this-huge-galaxy-has-the-biggest-black-hole-ever-measured>

- **Constellation Corner:** Presented by Sammie Mackie! This week is Andromeda! Check out the mythology behind it at <https://www.constellation-guide.com/constellation-list/andromeda-constellation/>

- **Spring 2019 Officers:** Here are the results from the election, say hi to your new officers!
 - President: David Cantillo
 - Vice President: Sai-Krishanth

- Treasurer: Harrison Bradley
- Outreach Officer: Kayli Glidic
- Secretary: Savannah Gramze
- Historian: Grace Hathaway
- Tech Officer: Hannah Martuscello
- Equipment Manager: Sean Halford

You all are going to do great! We can't wait to see you guys make the club even better!

- **Game Night/Last Meeting:** That's today! We'll have a game night after some quick announcements, we'll move into N305 for better table space. But bring some board games to play! We will also have donuts!
- **Dead Day Breakfast:** This will be on December 12th at 10am. Astroclub will provide bagels and coffee. If you're able to bring food to share, please do! The sign up sheet will be sent out soon
- **Physics club:** Their last meeting will be on Wednesday!
- **Dues:** Bruh

It's been fun being your secretary, we've definitely had some wild and fun rides these past couple of years. I'll always keep astro club close to my heart, and I hope you do too. I wish you all the best with the rest of your college careers. And don't forget to stay stellar! ~Madison
